But I thought there was someone at HQ or a Region who gave us advice on how to navigate the system.

If you mean the Pavillion peer review process - Keara Moore and Leigh DeHaven helped out with the FRNs. Currently, Leigh DeHaven and the folks from ERG are working on the process. Karen Edson and Pat Courtney, both from Region 8, will be involved in the actual peer review meeting.

Let me know if you need other info.

Who helped us work through the peer review process when we needed assistance earlier this year?
